## Grant/Adams Quarterly Performance Report July 1, 2024 – December 31, 2024

### A Career Canvas Shaped by Real-World Brushstrokes

There's a saying that there's "no wrong door" in our workforce system. A palette of community partners works together to support people on their path toward success, including SkillSource, Job Corps, and local businesses like the Grant County Fairgrounds.

Michael is a young man in Moses Lake who, in his words, had flunked out of high school with a 1.2 GPA. He wanted to fulfill his uncle's legacy and become a welder, but according to Michael it "wasn't for me, standing around welding beads and sweating my bum off all day everyday. So I tried out painting, and instantly fell in love with it and how much goes into the trade. Over time I knew that's what I wanted to do with my life."

Without a diploma or a driver's license, Michael's options were limited. Like his brother before him, Michael sought his path through Job Corps. He completed his diploma, got his driver's license, and embarked on a pre-apprenticeship path to become a union painter. "I believe painting is my calling. I love learning new things and moving around and making things look good. And being a part of the union is being part of something bigger than myself. I used to be into drugs and alcohol, but when I think about painting ... I want to build a career and a reputation that I didn't think was possible."

Job Corps connected Michael to SkillSource to help develop the skills needed for employment. His career counselor, Marisa, helped secure him a paid work experience with the Grant County Fairgrounds where he developed essential work skills on the job. Michael gained valuable work and life skills during his 160 hours with the fairgrounds! The financial resources allowed him complete a pre-apprenticeship with the International Union of Painters and Allied Trades (IUPAT) and secure a spot in the full Apprenticeship Program. Jim McKiernan, his supervisor, along with his manager Chris, praised Michael's ability to work efficiently and independently, describing it as a great experience.

Michael expressed his gratitude for the opportunity, sharing that he thoroughly enjoyed his time at the fairgrounds. Now that his work experience with the fairgrounds has ended, he's working at a job for Goodwill until he enters the apprenticeship later this spring! "Almost everything in this world gets painted or stained or has a special coating to protect it and I want to be a part of it all."

Congratulations on your painter's journey, Michael! And thank you to Grant County Fairgrounds and Job Corps for being essential partners in the big picture.

## CHAMPIONING PROGRAMS THAT WORK

**February 5, 2025** – SkillSource staff and program participants traveled to Olympia for the 2025 Legislative Day and Hill Climb, joining the Washington Workforce Association (WWA) and The Association of Washington Business (AWB) in advocacy of ongoing support for Economic Security for All (EcSA).

The trip provided a valuable opportunity to connect directly with legislators and share firsthand accounts of EcSA’s impact. SkillSource team members, including CEO Lisa Romine, Managing Director Susan Adams, Communications Manager Kelli Martinelli, and Business Engagement Specialist Mayra Eaton-Garcia, engaged in these important conversations, but the stars were special guests, [Mima Cole](#) and [James Moore](#), who shared their personal stories of transformation and success thanks to the resources provided by EcSA and the Community Reinvestment Project (CRP). Their experiences highlighted the real-world benefits and impact, and underscored its importance in helping individuals achieve self-sufficiency, build fulfilling careers, and contribute to the vitality of their communities.

We would like to thank Representatives Mike Steele, Tom Dent, Joe Schmick, and Alex Ybarra, and Senators Judy Warnick and Mark Schoesler for taking the time to meet with us. These meetings, along with conversations with Megan Matthews of the WA State Office of Equity and Wenatchee Mayor Mike Poirier, demonstrated the bipartisan support for EcSA, which was codified in 2024 and is crucial for ensuring a more stable and prosperous future for Washington communities.

Economic Security for All is an investment in Washington’s future with significant calculable ROI. As the WWA’s top legislative priority, enhancing EcSA resources is vital for increasing service levels and streamlining program administration. EcSA serves as a critical state funding stream, aligning existing workforce and support programs to maximize their collective impact. These funds are essential for connecting businesses with skilled workers and providing individuals with the training and credentials necessary to achieve economic independence. Critically, EcSA prioritizes assisting traditionally underserved communities, including justice-impacted, and rural populations, fostering generational economic success by providing the resources and support needed to thrive in the workforce.

EcSA works. It’s a revenue-generating program where investments in individuals and businesses lead to measurable returns, increasing economic vitality and stability in households and communities. People need these necessary resources to succeed. EcSA, along with guided support, personal commitment and tenacity, enables individuals to pull themselves up and achieve their full potential.

SkillSource extends a special thank you to the WWA, the Hill Climb organizers, and the Association of Washington Business (AWB) for their support in making this legislative day a success. As the legislative session continues, SkillSource, through its local workforce board of directors, will remain engaged to coordinate potential future actions in support of the EcSA initiative and the Community Reinvestment Project. The goal is to ensure that programs like EcSA, which have a proven track record of success, continue to receive the support they need to build a stronger Washington.

## **VIII. Equal Opportunity**

The parties specifically agree that they will comply with Section 188 of the WIOA Nondiscrimination and Equal Opportunity Regulations (29 CFR Part 38; Final Rule December 2, 2016), the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Non-traditional Employment for Women Act of 1991, titles VI and VII of the Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1967, as amended, title IX of the Education Amendments of 1972, as amended, and with all applicable requirements imposed by or pursuant to regulations implementing those laws, including but not limited to 29 CFR Part 37 and 38.

## **X. Supplemental Agreements**

To ensure flexibility for all partners within this Agreement, it is understood and agreed that two or more partners may enter into separate Supplemental Agreements among themselves. These Supplemental Agreements shall not preclude or negate any terms or conditions set forth in this Agreement (MOU).

## **XI. Liability**

The partners recognize that the partnership consists of local, state, federal agencies, not-for-profit, and for-profit entities. Each partner shall hold harmless other partners from all claims, costs, damages, or expenses arising out of the negligence of the partners. In the case of negligence of two or more partners, any damages allowed shall be levied in proportion to the percentage of negligence attributable to each partner.

## **XII. Amendment or Cancellation of Agreement**

Each partner may cancel its participation in the Agreement upon 60 days written notice to the other partners.

In the event a partner determines that funds are unavailable to carry out the activities set forth in this Agreement, the partner shall terminate this Agreement by notifying all other partners and the [Regional Workforce Board](#) in writing immediately, and the Agreement shall terminate upon the delivery of such written notification. When the cancellation is for cause, i.e., a material and significant breach of any of the provisions of this Agreement, it may be canceled upon delivery of written notice to the other partners.

### **XIII. General Provisions**

Partners are expected to meet their responsibilities under this MOU in accordance with the laws and regulation which govern their activities. Nothing in this MOU is intended to negate or otherwise render ineffective any such provisions or operating procedures.

Nothing in this section prohibits a partner from sharing co-location costs with one or more additional partners. Cost-sharing resources may include cash, in-kind, or other. Each partner is responsible for the costs of its agency in carrying out that agency's commitments of Section V. In no event shall any agency be obligated to pay any expense incurred by another agency under this Agreement.

### **XIV: Dispute Resolution:**

In all circumstances, disputes will be resolved at the lowest level possible as described in [Local Directive 18-173 R1](#). In the event of an impasse at the local level, the directive also describes the steps to be taken to elevate the dispute to the Workforce Training and Education Coordinating Board and other Federal agencies as necessary. In the event the local funding mechanism does not result in an agreeable IFA, the local area will follow state guidance triggering the state funding mechanism outlined in WorkSource [System Policy 1024 Revision 2](#).

### **XV. Periodic Review and Renewal**

The IFA incorporated into this agreement must be updated annually to addresses any changes in the cost of facility and technology. Each subsequent IFA will be in effect for one program year. As it is not federally required that the IFA be re-signed, IFA partners will receive a copy of the updated budget via email.

Generally, amendment or modification of the MOU only requires the parties to review and agree to the elements of the MOU that changed. Non-substantive changes to the MOU, such as minor revisions to the budget or adjustments made due to the annual reconciliation of the budget, do not require renewal of the MOU. Because this MOU is a "living document" that is likely to undergo changes over the next three years, changes to the attachments to the MOU that do not change the intent of the document will be considered minor revisions. Additionally, affiliate and connection sites (access point or specialized center) may be added to the MOU without the need to resign the entire document. Affiliate and connection sites added during a program year will not be factored into the budget or IFA during that year and will instead be added in the next full program year or to the next MOU, whichever is most appropriate, based on agreement between the site and the local board. Partners will be notified of minor modifications to attachments or the addition of affiliate or connection sites via e-mail.

Substantial changes, such as the removal or addition of a required partner organization, a change of greater than 15% of planned annual costs overall or a change due to the election of a new Chief Elected Official, will require renewal of the MOU (20 CFR 678.500(b)(6), (d), and (e); 34 CFR 361.500(b)(6), (d), and (e); and 34 CFR 463.500(b)(6), (d), and (e)). Renewal of the MOU requires all parties to review and agree to all elements of the MOU and re-sign the MOU. Oral amendments or modifications shall have no effect. If any provision of this Memorandum of Understanding is held invalid, the remainder of the Memorandum of Understanding shall not be affected.
