

## **Incumbent Worker Training**

*Train Your Employees & Improve Productivity*

Incumbent worker training can help qualifying companies upgrade the skills of existing employees that will ultimately help the company remain competitive, increase profits, and support the growth of the company.

~ ~ ~ ~ ~

- ⊗ Train one or several employees
- ⊗ Retain employees, avoid layoffs, develop your workforce
- ⊗ Promote from within; train to fill vital positions or roles
- ⊗ Choose an industry recognized training provider

Incumbent Worker Training results in an increase in wage, qualifications, responsibility for the trained worker, and/or increases your company's productivity, efficiency, safety and competitiveness.

Employees must have 6 or more months experience working for your company (exceptions apply for trainee cohorts). The employer will share 25% or 50% of the cost depending on the size of the firm. This cost share may be met with employee wages during the training.
