

SKILLSOURCE

Fiscal Agent for the NC Workforce Development Council

JOB ANNOUNCEMENT

SkillSource facilitates job training services for job seekers and employers throughout North Central Washington. The non-profit agency has a thirty-six year track record of arranging and/or linking career builders to high quality workforce development services.

WEB APPLICATION INTERFACE DEVELOPER

MAJOR JOB OBJECTIVES

The Web Application Interface Developer requires advanced HTML5, JavaScript, CSS, and other JS frameworks to convert a current Adobe Flex/Flash application. The Developer is responsible to rebuild all front end aspects of the current CMS application and to collaborate with a creative team to design new, fast and efficient frontend replacements for the current CMS UI screens.

MINIMUM QUALIFICATIONS

1. Bachelor degree in Computer Science or 9-month Boot Camp in Full-Stack development.
2. At least two years of experience in Website development using HTML5, CSS3, JavaScript and PHP.
3. At least two years of experience as part of a team of developers.

OTHER QUALIFICATIONS

1. Exceptional communication, organization, and leadership skills.
2. Knowledge of client-side single-page applications using modern frameworks.
3. Excellent debugging and optimization skills.
4. Unit/integration testing experience.
5. Experience with GitHub for version control.

Wage range: \$30.00 - \$40.00 per hour DOQ. Completed application and resume required. To apply, complete application and upload resume on www.skillsource.org. Position open until filled.
